The **Consumer Product Safety Commission** recommends the following safety tips to help prevent tip-over furniture accidents. Every 45 minutes a child goes to the emergency room due to a tip-over accident, every two weeks a child dies! The following are tips on prevention of accidents in your home - let's create a safer home together:

- **Anchor it!** All Magnussen Home storage units that are over 30" in height have a "Child Safety Label".

CHILD SAFETY

ANCHOR IT AND PROTECT A CHILD

Use of anti-tip kit is required

- Place heaviest items in the lowest drawers.
- Unless specifically designed to accommodate, do not set TVs or other heavy objects on top of this product.
- Never allow children to climb or hang on drawers, doors or shelves.
- Never open more than one drawer at a time.
- Do not defeat or remove the drawer interlock system.
- Use of tip-over restraints may only reduce, but not eliminate, the risk of tip-over.

CLIMBING MAY RESULT IN SERIOUS INJURY

- **Use restraints!** Our furniture comes equipped with tip over restraints for storage units over 30" in height or more. Instructions are in the packaging on assembly instructions for securing to the wall.

- Always use furniture for its intended purpose and never let children climb or hang on drawers, doors or shelves.
- When buying a dresser or storage unit, look for one that meets the requirements of the current ASTM International standards by; checking the labels, visit our website, or ask the retailer.
- Place televisions far back on low stable furniture that is designed to hold the weight and size of the TV if possible.
- Do not place items that may appeal to a child, such as toys, plants and remote controls, on top of a TV.
- Do not place heavy items on top of elevated surfaces.
- Regularly check that furniture, TV's and appliances are stable and secure.
- Do not assemble and use the furniture if instructions are not provided or if you cannot follow the instructions.
- Place heavier items in the lower drawers and install locks if you have younger children to prevent the use of the open drawers as steps.
- Never put a TV on top of a dresser/storage unit or furniture not intended for use with a TV.
